NOTE: Because of major problems with saving spots for cars at the car show the Cache Valley Cruising Association has been forced to change our policy. Security will be onsite Wednesday night and Thursday morning to help enforce the new policy.

There will be NO saving of spots for cars before Thursday Morning at 6:00 AM.

No cars allowed into Fairgrounds until 6:00 AM Thursday morning, and then the car has to be registered for the show.

Exception: Cars that belong to people that have paid for camping can park their cars next to their camp trailers and then move the car to the "Show" area on Thursday morning after 6:00 am if the car is preregistered or after the car is registered.

Exception: Cars entered in Top Rod will load into the building on Wednesday. CVCA club cars will be entering and parking all week to get things ready. If you preregister your car the confirmation letter you receive back in the mail can count as proof it is registered until you can get your registration packet.

If the car is not preregistered you must register it first at registration and then you can enter the fairgrounds.

Registration will open at 6:00 am on Thursday to help accommodate this new policy.

Any spots saved will be removed Thursday before 6:00 AM.

This may include having cars towed at owner's expense if the car is left to save the spot.
