**\*\*SETUP INSTRUCTIONS\*\***

If you are using a trailer to sell, please arrive on Wednesday, July 1<sup>st</sup>. Two weeks before that date, you will receive your assigned setup time slot.

For those with pop-up tents, setup can begin before 9 a.m. on July 2<sup>nd</sup>, but only during your allotted time. This schedule allows trailers and vehicles to be positioned first. Trailers do not need to be opened, but it's essential to get them in place before the pop-up booths arrive.

Please ensure your trailer or booth fits within your designated space. The trailer tongue is considered part of the trailer and must fit within your space or be removable. Your trailers, equipment, or tents should not encroach on your neighbor's area in any way.

All trash must be disposed of in the designated dumpster, which I will show you. **Please do not place your trash in the black garbage cans, as they are reserved for participants.**

All vendors must complete their setup by noon on Thursday, July 2<sup>nd</sup>. I will be available to assist with setup starting at 8:00 AM on Wednesday, July 1<sup>st</sup>, and again at 7:00 AM on Thursday, July 2<sup>nd</sup>. Please be aware that no setup will be allowed on Friday, July 3<sup>rd</sup>, or Saturday, July 4<sup>th</sup>, and no exceptions will be made. If you arrive on those days, you will not be permitted to set up, and your payment will not be refunded. Additionally, if your trailer is too large for the reserved spot, you will not receive a refund if you are unable to set it up.

If you have any issues regarding your arrival on Wednesday, July 1<sup>st</sup>, please text AJ TEGT at 4357605058.

We ask all vendors to be open from Thursday through Saturday, with a minimum operating period of Friday from 10:00 AM to 8:00 PM and Saturday from 10:00 AM to 6:00 PM.

Vendor vehicles will not be allowed into the show once the ticket booths open. However, you can park in the vendor parking lot, and a club member may be able to assist with transporting products.

Vendor vehicles will not be allowed on the fairgrounds for teardown on Saturday afternoon until after the show cars have left for the parade, which is typically around 7:00 PM. **Please call me to check you out before you leave, so I can ensure your area is clean and that you are all set to go.**

All food booths must obtain the necessary permits from the Bear River Health Department. For more information, call 435-792-6570. Health department representatives will be on-site to issue temporary licenses.

Vendors who accept food vouchers from our club members must turn them in at the information booth by 5:00 pm on Saturday for reimbursement. Our Treasurer will send you a check.

The State Tax Commission will visit every vendor. If you owe taxes, you must pay them before opening your business. You are responsible for obtaining permits, filing reports, and paying taxes.

Furthermore, the Logan City Fire Department will perform a safety inspection. To prepare food, you must have the appropriate fire extinguishers and fire-approved canopies. If you are cooking in a trailer, you must have an approved fire suppression system.

Please remember that obtaining all necessary insurance is your responsibility as well.

Please submit your application as soon as possible to secure your spot. All fees must be paid to the Cache Valley Cruising Association by June 19, 2026. If your fees are not paid in full, you cannot set up your booth. Please note that we will not accept checks after June 14. Also, keep a copy of this application for your records.

CVCA reserves the right to place and change vendor locations. Returning vendors will most likely be in the same space as last year. As always, there are no guarantees and NO REFUNDS. Please turn in the application and fee promptly for space availability.
